Re : SMART mediation program  
Fichtner vs. Moulis

Dear Mr. Miller:

I want to personally thank you for your excellent effort in the mediation on the day assigned for trial in the above matter. You will be pleased to know that your effort was a success. The parties reported a settlement after the lunch hour in the amount of \$45,000 with an agreement that the "paperwork" would show that it was based upon a "finding" of 50-50 comparative fault and an agreement that the entire sum was for "general damages".

I look forward to working with you in this program in the future.

Sincerely,
